RE: Agenda for the October 23, 2006 Meeting

October 5, 2006

The first meeting of the Technical Aerial Drift Committee will be held on October 23rd from 9:00 to 12:00 at the Pest Management Office at the University of Maine, Orono. The committee members will receive hard copies of the materials listed below. The agenda is:

1. Introductions; areas of expertise (committee members)
2. Background; the two committees; technical and stakeholder (Lebelles)
3. Current Regulations dealing with drift and notification for out door applications (Chapter 10, 22, 28 and 51 appended. Chapters 27, 41, 60, 31 and 32 will be available at the meeting) (Henry)
4. National perspectives; American Association of Pesticide Control Officials (AAPCO; Powerpoint presentation Dave Scott, Office of Indiana State Chemist), National Spray Drift Task Force (AGDRIFT); and EPA (handouts)
5. Discussion of the scope of the technical committee; Topics for the Drift committees are listed on the enclosed draft. The Board reviewed these at their October 13th meeting and thoughts as to which issues belong with which committee may have been expressed. **The agendas of future meetings will depend on the outcome of this discussion.**
6. Time line and future meetings
